

INTERNATIONAL BACCALAUREATE CREDIT

The International Baccalaureate subject test is one way to earn college credit by examination. These exams are given in high schools that have the International Baccalaureate program.

Students who have completed any of the following IB tests should have International Baccalaureate forward an official report of their scores to the WSU Counseling and Testing Center in order to receive credit. The center will review the scores and report your credit to the Registrar's office to be entered on your permanent record.

For information about other ways to earn advanced credit, request the "Opportunities for Advanced Credit and Advanced Placement" information sheet from the Office of Admissions, (316) 978-3085, or toll-free, (800) 362-2594.

S = Subsidiary exam
H = Higher-level exam

*When the higher-level exam is passed in French, German, Italian, Russian or Spanish, subsidiary credit is also awarded (15-21 hours total).

In addition, math students who do not take the IB test but score below the level necessary for credit can be given placement in Math 243 or 344 upon recommendation of their high school teacher. Upon successful completion (C or better) of the first enrollment in the course, the student will be given retroactive credit for the prerequisite calculus course(s). For example, a student who successfully completes Math 243 will be given retroactive credit in Math 242. A student who is placed in Math 344 and successfully completes it will be given 10 hours of retroactive credit in Math 242 and 243.
